EDUCATION / TRAINING

NORTH SHORE UNIVERSITY/LONG ISLAND JEWISH (New Hyde Park, NY) 2023-2024

Internal Medicine Residency

- Scherr 2024 Research Award – “Synergistic Risks: The Impact of HIV on Kaposi Sarcoma and Lymphoma Incidence in Castleman's Disease”

EMORY UNIVERSITY (Atlanta, GA) 2019-2023
MD

- Harris Family Medical Scholar

UNIVERSITY OF GEORGIA (Athens, GA) 2015-2019

B.S. Biology, B.A. Sociology

- GPA: 3.86/4.00 MCAT: 520 (131/130/127/132), 98th percentile
- Foundation Fellow: University of Georgia's premier Foundation Fellowship- Among top 21 students out of approximately 1,000 applicants (2.1%) and 24,000 freshman applications (0.1%)
- Stamps Scholar: 1 of 5 Fellows selected nationwide as the Stamps Scholar

UNIVERSITY OF OXFORD (Oxford, United Kingdom) June 2016

- Studied Biomedical Ethics under Dr. David Birks of Kellogg College

Languages: English (Native), Hindi (Native), Chinese (basics)

Programming languages: R, Python, Java, HTML/CSS

Honors and Awards: Harris Family Scholar; Gold Presidential Volunteer Award (3x); Coca-Cola Scholar (One of 150 selected out of 107,000 applicants); 20 Under 20 Georgia Leaders; National Merit Finalist- Merit Scholarship Competition; Youth Immigrant Achievement Award Winner, National Immigration Council; TEDx Talk (Working Together for Change)

COMMUNITY SERVICE / SOCIAL ACTIVISM

Feed the Frontlines Georgia (FeedTheFrontlinesga.org), Georgia, USA

Founder & Executive Director

Apr. 2020- Sep. 2020

Founded 501(c)(3) nonprofit aimed at rapid COVID support to hospitals in the state of Georgia, with a focus on hospitals that provide care for underserved populations.

- Raised \$90,000 via fundraisers, grants, and grassroots fundraising
- Coordinated delivery of 6,600 fresh & healthy meal deliveries from struggling local, family-owned restaurants
- Lead an 83-member team across 21 cities to coordinate, fundraise, and deliver meals to homeless shelters and healthcare professionals at 30 hospitals across the state

Working Together For Change (WorkingTogetherForChange.com), Alpharetta, GA

Founder & Executive Director

Dec. 2013-Present

Founded national 501(c)(3) nonprofit aimed at ending homelessness. Multiple chapters in CA and GA. We have 3 pillars which work together to generate awareness, provide support and education for and about the homeless population.

- **Immersion** (Goal: Generate awareness): Hundreds of survival bags and hygiene kits distributed to homeless; Organized homeless immersion programs with multiple universities.
- **Medical** (Goal: Medical support): Provided free medical testing through 13 medical camps.
- **Social Entrepreneurship** (Goal: Create opportunities): Fundraised over \$50,000 for scholarships for underprivileged youth; provide skills-based training to homeless veterans; Built homes for 30 homeless people in Tijuana, Mexico in 2014-16.
- Volunteers mobilized: 600+; People served: 3,000+; Hours Served: 17,000+; Funds Raised: \$90,000+.

- Featured by Ted Talk, American Immigration Council, Atlanta Business Radio, Youth Service America, and 13WMAZ Radio. Also see [Facebook.com/workingtogetherforchange](https://www.facebook.com/workingtogetherforchange) for more information

HackStart (hackstart.co), Alpharetta, GA

Cofounder

May 2015 - 2019

HackStart is an organization aimed at increasing teen participation in computer science and entrepreneurship by increasing accessibility to and hosting events such as hackathons.

- Helped fundraise \$4,900 during the month of June
- Received sponsorships from GA Tech, Bitpay, Chickfila, Zaxby's, ATDC, and Tech Village
- Recruited 30 students to compete in 7 teams to win \$600 in cash prizes

United Way Regional Commission of Homelessness (RCOH), Atlanta, GA

Board Member/Advisor

Jan. 2014- Nov. 2016

- Help homeless veterans get employed and reintegrate into workforce

PROFESSIONAL AND TEACHING EXPERIENCE

DigitalDx Ventures

Venture Fellow

Dec. 2023- Apr. 2023

- Conducted due diligence by researching and analyzing investment opportunities, performing competitive assessments, and scouting potential investments.
- Led Market Research Analysis in digital diagnostics, analyzing past deal flows, current investment focuses, and forecasting future investment trends.

Resident Resource Website (adityasood.me/work)

Freelance Developer & Maintainer

Dec. 2024 – Current

- Developed and maintain a custom web application (adityasood.me/work) serving as a critical resource hub for internal medicine residents and fellows, achieving approximately 2000 weekly hits.
- Utilized HTML, CSS, and JavaScript to create a user-friendly and efficient platform for accessing essential clinical tools and resources.
- Demonstrated proficiency in front-end web development, including responsive design and cross-browser compatibility.

Peer Learning Assistant in Intro to Biochemistry - UGA

Jan. 2018 - May 2018

Stepping Stone Volunteer to teach English in Shanghai; 40 students

May 2017 – Jun. 2017

University of Pennsylvania Health System

May 2013 – Jun. 2013

Giving Point Institute

2014-2015

LEADERSHIP POSITIONS AT UNIVERSITY

Senator, Medical School Senate

2022 - 2023

External Program Coordinator, COVID Response Team

2020 - 2021

Member, Honors Program Student Council

2016 - 2019

President, HackUGA

2016 – 2017
